Mafoko a kamogelo a Modini

Moithuti yo o Rategang

Ke a go Amogela mo Yunibesiting ya Bokone-Bophirima. Ke tshiamelo e kgolo mo go nna go go amogela le kwa Legorong la Disaense tsa Pholo. Ke go lebogela go bo o tlhophile serutwa sa disaense tsa pholo sa mokgele wa bokamoso jwa gago.

E le ruri, go thusa bagarona ka tsa pholo ke nngwe ya ditiro tse di mosola fela thata. Boikemisetso jwa legoro la rona ke go go tlhomelela sentle ka dithuto tsa bokamoso jwa gago, gore o tle o kgone go nna thuso e kgolo mo matshelong a batho.

Ke batla go go bolelela dikgopololo tse di latelang tse ke nang le tsone (tsa maitemogelo a ke nnileng le one) gore di go thuse mo dingwageng tsa gago tsa dithuto:

- Dira gore go buelela pholo (le tiro e o e dirang) di nne tiro e o e bileditsweng
- Nna le seabe mo dikgannyeng tse di amanang le pholo, wena le ba o dirang le bone mmogo le maloko a baagi
- Nna motho yo o dirang ka metlha (ka natla)
- Tshela botshelo jo bo itekanetseng le jo bo lekalekaneng
- Ikokobetse, o ikanyege o bo o direle ba bangwe

Go dira gore dingwaga tsa gago tsa dithuto e nne tse di itumedisang fela thata, re go laletsa go tla go tlota le rona ka mathata ape fela a o nang le one, dilo tse o sa tlhomamisegeng ka tsone le/kgotsa o botse mothathleledi wa gago dipotso, o botse le moeteledipele wa setlhophya sa serutwa/moeteledipele wa lenaanethuto kgotsa Mokaedi wa gago wa Sekolo. Tsweetswee se letele bothata bope go gola gore e nne jo bogolo thata Re itumelela go go thusa ka kgakololo le ka tshidilomaikutlo.

Ke dumela gore tshedimosetso-kaelo eno ya Legoro e tla go naya tshedimosetso e e mosola. Tsweetswee ikgolaganya le

rona go bona tshedimosetso go ya pele fa o tlhoka thuso go ya pele.

E kete dingwaga tsa go ithuta ga gago e ka nna tse di tlhomologileng mo botshelong jwa gago. Ipelele letsatsi lengwe le lengwe le tšhono e e go bulegelang.

Dean's word of welcome

Dear Student

Welcome to the North-West University. It is a great privilege for me to also welcome you at the Faculty of Health Sciences. Thank you for choosing a field within health sciences for your future career.

It is certainly one of the most enriching tasks to make a contribution to the health of fellow human beings. Our Faculty's mission is to properly equip you in your future studies, so that you will be able to actively make a difference in people's lives.

I would like to share with you the following thoughts on your forthcoming study years:

- Make the promotion of health (and your specific occupation) your calling
- Get involved in health issues, your fellow human beings, and the community
- Work constantly (and hard)
- Live a healthy and balanced life
- Be humble, loyal and serve others

To make your study years as pleasant as possible, we kindly invite you to discuss any problems, uncertainties and/or inquiries with your lecturer, subject group leader or programme leader. Please do not wait for any problem to become too big. It is our pleasure to help with advice and counselling. I believe that this Faculty information guide will provide you with useful information. Please contact us for more information or if you need any further assistance.

May your years of study be a highlight in your life. Enjoy every day and opportunity.

Regards in health

Prof Awie Kotzé

Dekaan se woord van verwelkoming

Beste Student

Baie welkom by die Noordwes-Universiteit. Dit is vir my 'n groot voorreg om u ook in die Fakulteit Gesondheidswetenskappe hartlik welkom te heet. Baie dankie dat u 'n rigting in gesondheidswetenskappe vir u toekomstige loopbaan gekies het.

Dit is sekerlik een van die verrykendste take wat daar is om een of ander belangrike bydrae tot die gesondheid van jou medemens te kan maak. Ons Fakulteit se visie is om u so goed as moontlik toe te rus in u verdere opleiding, sodat u 'n daadwerklike verskil in mense se lewens kan maak.

Ek deel graag die volgende paar gedagtes (uit eie ervaring) met u ten opsigte van u komende studiejare:

- Maak gesondheidsbevordering (en jou eie spesifieke beroep) jou roeping
- Wees betrokke by gesondheidsake, jou medemens en die gemeenskap
- Werk konstant (en hard)
- Leef gesond en gebalanseerd
- Wees diensbaar, nederig en lojaal

Om u studiejare vir u so aangenaam as moontlik te maak, nooi ons u vriendelik uit om enige probleme, onsekerhede en/of navrae, met u dosente, vakgroepleier of programleier te bespreek. Moet asb. nie wag dat enige probleem te groot word nie. Ons help u graag vroegtydig met advies en raad. Ek vertrou dat hierdie Fakulteitsgids vir u nuttige inligting sal verskaf. Kontak ons gerus as u meer inligting benodig of enige hulp nodig het.

Mag u studiejare vir u 'n hoogtepunt wees! Geniet elke dag en geleentheid!

Gesondheidsgroete,

Prof Awie Kotzé
