**MASTER OF HEALTH
SCIENCES IN
PSYCHOLOGY
PROGRAMME (NORTH-
WEST UNIVERSITY)**

MASTER OF HEALTH SCIENCES IN PSYCHOLOGY

1. Duration (minimum and maximum)

The minimum duration for the study is one year and the maximum duration two years, calculated from the date of first registration for the programme. The faculty's decision is based on the current subsidy model for universities and may differ from other faculties or regulations.

Students who apply for an additional study year according to the Academic rules of the University, must note that it will have financial implications for them.

2. Admission requirement of the qualification

A student who wishes to register for a masters-degree must have acquired an honours degree or equivalent qualification on NQF level 8 in the applicable field as approved by the Senate.

3. Selection Requirements

- a) An honours degree in Psychology, a Bachelor of Psychology (B Psych), or B Psych equivalent programme on NQF level 8 is required.
- b) Conditional admission is granted based on:
 - academic record,
 - qualifications,
 - Extent to which project fits into the research department, as well as availability of a study leaders.
- c) Final approval will be given after an admissions interview and successful presentation of the research concept before an expert panel.
- d) An average academic mark of at least 65% during the honours degree is required.
- e) Candidates may be required to attend additional workshops to improve research skills.
- f) A satisfactory behaviour and functioning record should be maintained on a continual basis by all students.
