University Terminology

- **Curriculum:** BNursing (8NEK01- G401P) entails all the theoretical and practical modules that a student needs to exit with the BNUR degree.
- **Curriculum control:** If a student wants to register for the qualification that he/she is enrolled for, it can be done on the DIY system via the add-drop menu on the NWU homepage.
- **Modules:** This includes all the modules (subjects) that need to be passed in order to qualify with the BNur qualification.
- **Module changes:** If a student wants to change a module that he/she is currently registered for, this can similarly be done on the add-drop menu on the DIY system.
